

A Charitable Foundation
Helping People
and Pets

About The Foundation

The Veterinary Care Foundation is a 501(c)(3) not-for-profit charitable foundation created to assist veterinarians in providing no-cost or discounted care to animals in need.

Why Your Donation is Important

As committed pet owners, many of us fail to realize that each year veterinarians donate considerable time and resources providing low or no-cost care to abandoned pets and to pets whose owners may be experiencing financial hardship. Because Foundation operating expenses are funded through veterinarian membership fees, **100%** of every dollar donated to the Veterinary Care Foundation is used to provide veterinary care for pets.

How We Help

The foundation's criteria for use of donated funds include such situations as:

- Good Samaritan cases
- Owners experiencing a financial crisis
- Elderly clients facing financial issues
- CareCredit denied clients
- Support for local service animals
- Local disaster relief

**Someday you might need us,
and we'll be here.**

But today, we need you.

Please make a tax-deductible donation to the Veterinary Care Foundation today.
