

# 360° of Care for Pets

Together, your wellness services and Trupanion, medical insurance for cats and dogs, can help provide your clients' pets with comprehensive coverage — from nose to tail — for both the routine and the unforeseen.

## Wellness Care

For Expected & Routine Services

For pets of all ages.

Covers routine maintenance and pets' everyday health.

Plans may include spay/neuter, vaccinations, exams, and dental cleaning.

Focuses on early detection and disease prevention.

## trupanion™

For Unexpected Illnesses & Injuries

Lifelong coverage for pets enrolling at 8 weeks to 14 years.

No payout limits — per year; per incident; per lifetime.

Covers all new injuries and illnesses including, dental illness, cancer, prescriptions, and more.

Financial flexibility to fit a pet owner's budget, and hospitals can get paid directly.
